

Greetings Saddle Club Families,

It has come to my attention that there have been some issues with dogs on the fairgrounds around the saddle club area.

This email is to address this matter. Moving forward there should be no dogs at 4-H events nor on the fairgrounds besides leashed and in the camper area according to their policies. The only dogs allowed at a 4-H event is if it is a dog club event and they have been provided guidance from the dog club leaders. The dogs should not be in any other location.

If you have any questions please reach out,

Robby
